The Atlantic Health System Pharmacy Residency

Empowering our communities to be the healthiest in the nation

Atlantic Health System

About Atlantic Health System

Atlantic Health System, headquartered in Morristown, New Jersey, is one of the largest non-profit health care systems in New Jersey. It includes Morristown Medical Center in Morristown, NJ; Overlook Medical Center in Summit, NJ; Newton Medical Center in Newton, NJ; Chilton Medical Center in Pompton Plains, NJ; and Goryeb Children's Hospital in Morristown, NJ, as well as Atlantic Rehabilitation, and Atlantic Home Care and Hospice. It also includes its subsidiary, Atlantic Ambulance Corporation. Atlantic Health System comprises 1,599 licensed beds, more than 14,000 employees and more than 4,000 physicians. Atlantic Health System has a medical school affiliation with the Sidney Kimmel Medical College at Thomas Jefferson University; a Major Clinical Affiliate of Rutgers Cancer Institute of New Jersey; part of Atlantic Accountable Care Organization, one of the largest ACOs in the nation, and is a member of AllSpire Health Partners.

Atlantic Health System Pharmacy Residency

Atlantic Health System's PGY-1 pharmacy residency is a 12-month, hospital-based program with three positions available each year. It provides training in a flexible, diversified setting with rotations at both Morristown Medical Center and Overlook Medical Center. The program was established in 2009 and is accredited by the American Society of Health-System Pharmacists.

Our pharmacy residency provides an environment of learning with the specific goal of producing competent and compassionate pharmaceutical care practitioners. Residents will complete this objective through multi-disciplinary teamwork in a variety of different settings, as well as through independent study and project management. The program emphasizes development of clinical, communication and leadership skills necessary to provide high quality care and optimal patient outcomes.
