

2016 Pharmacy Research Day

Rutgers University

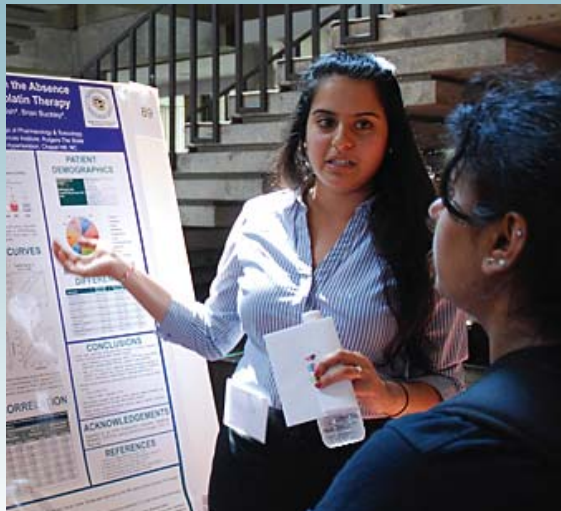

Ernest Mario School of Pharmacy

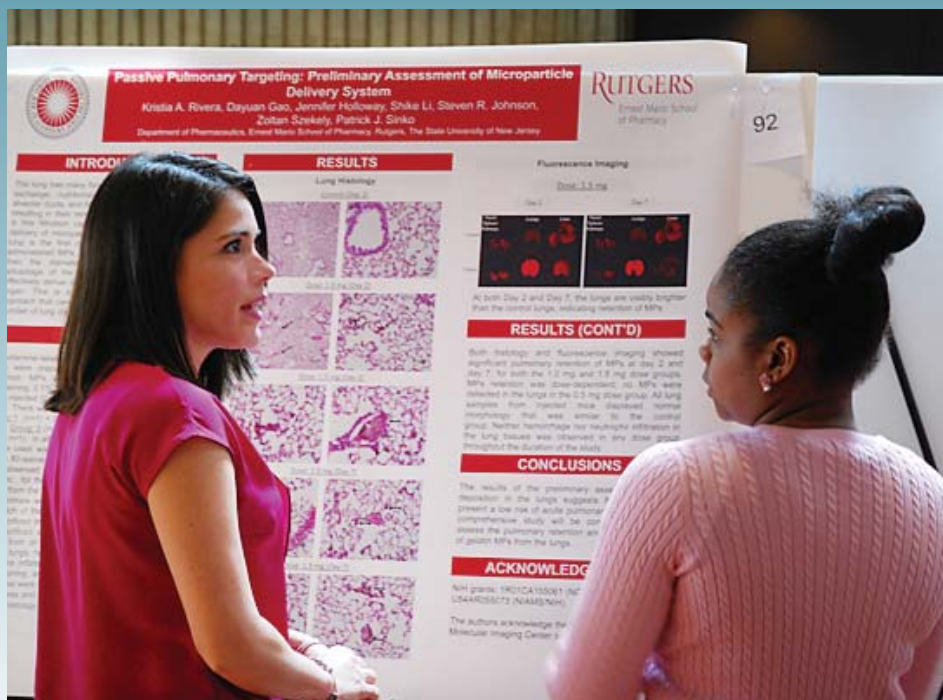

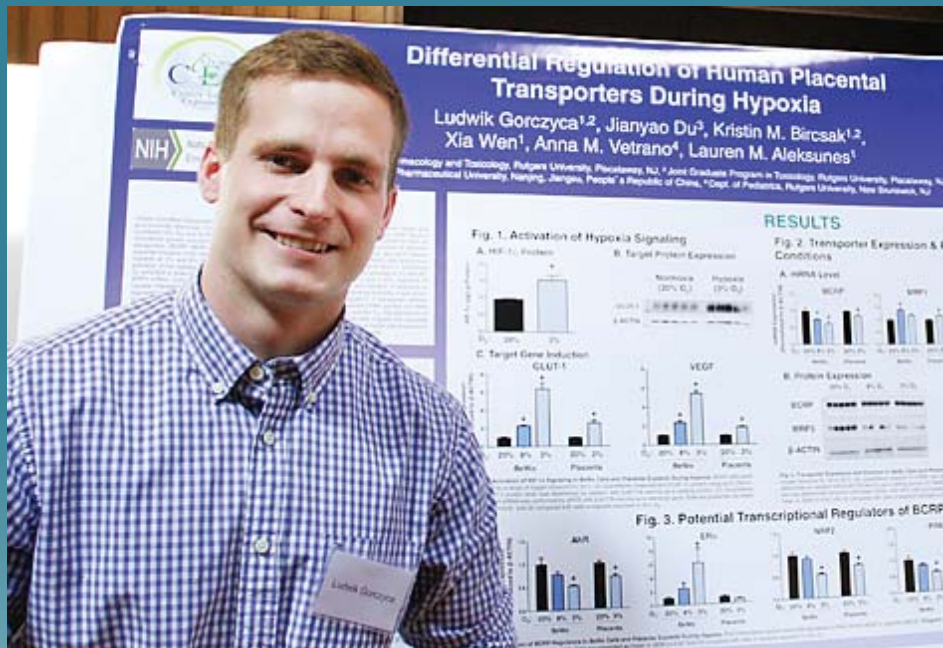

Piscataway, NJ

Over 90 research posters from all departments of the Ernest Mario School of Pharmacy were presented by undergraduate, PharmD, graduate, and postgraduate students. The symposium was held on April 26, 2016 in the Robert Wood Johnson Great Hall. Over 200 people attended this event.

Thanks go to all of the faculty, postdocs, and students at the School of Pharmacy who participated in this program and to the administrative staff and Honors Committee for the organization and development of Research Day. We are grateful to Wilson Rodriguez, MPH for photography of the event and the students for coordinating the setup of poster boards. Our sincere appreciation for funding this program is extended to Dean Joseph Barone.
